studying popular
crowdfunding projects

Conduct research on
your closest
(successfully funded)
competitors

2 See under the hood of
campaigns

Find out which
influencers, writers
and sites they
connected with during
their campaign

CROWDFUNDING SPECIALISTS

Hyperstarter works great with **Kickstarter** projects, **Indiegogo Live** and **InDemand** and **equity** based campaigns.

Kickstarter

Worked on over 800 Kickstarter projects.

Indiegogo

Listed as an Indiegogo approved crowdfunding marketing agency.

Equity Crowdfunding

Helped run \$1m campaigns on Crowdcube and Wefunder.

MARKETING WITH HYPERSTARTER

We've created an alternative to just paid advertising.

Hyperstarter are experienced consultants who are involved in crowdfunding projects at all stages. Offering a full service package to customised day-to-day tasks, depending on your specific needs.

From pre-launch to live campaigns that are experiencing slow-down. We are also able to find retailers and distributors after a project has ended.
